Message from the President

Shalom!

What an incredible year we have had at the Rady JCC to report to you.

As you will see in the upcoming pages the Rady JCC continues to thrive and serve community with tremendous passion and enthusiasm. We strive to create a welcoming environment to connect all members to their Jewish identity in a meaningful fashion. It is with tremendous pride that I share on behalf of the Board that we continued to pursue excellence in community programming while undergoing a year of significant change.

I would like to recognize the talented and hard working Jewish community professionals who worked tirelessly daily during our search for a new Executive Director. Tamar Barr, Barry Miller, Eleonora Caporalini, Mark Spencer, Robyn Lieberman, Sheldon Appelle, Laura Marjovsky, Vicki Morton, Joanna Young, Shirly Pelich and Boris Bursak inspire us all with their hard work and leadership.

The Executive Director search committee began the year with the important task of selecting a candidate to lead the Rady JCC in its centennial year. We were thrilled to officially welcome Rob Berkowits to the team in August. Rob brings a rich history of Jewish communal work to the Rady and we are looking forward to watching the Rady flourish under his tenure.

It was business as usual for the Rady while the search was underway which saw us host our very successful Ken Kronson Sports Dinner honouring Marjorie Blankstein and featuring Alex Rodriguez as our guest speaker. Our 100th Anniversary committee led by Murray Gilfix and Tannis Mindell guided us through a

wonderful year of celebration that saw the Rady JCC being hosted by the Lieutenant Governor, the Honourable Janice Filmon, at Government House and being recognized with a Community Service Award bestowed by His Worship Mayor Brian Bowman.

As always the Rady's mission could not be accomplished without you, our committed volunteers and donors. We'd also like to recognize the Jewish Federation of Winnipeg, United Way of Winnipeg, Province of Manitoba, Jewish Foundation of Manitoba, Tallman Foundation, the Winnipeg Foundation, Manitoba Arts Council, The Asper Foundation, Consulate General of Israel, TD Bank, National Jewish Outreach Project, and Service Canada for their generous support during the year. The Rady JCC is grateful for our relationships with our supporting organizations and looks forward to continuing the journey of community building with all our talented leadership partners.

Planning for another successful year is well in hand with Rob Berkowits leading us in our outreach to seniors, families, children, youth and newcomers. It is our privilege to connect as many members as possible regardless of ability or financial circumstances.

We thank the Board of Directors for their advice, vision and efforts in a dynamic and busy year.

Thank you to the entire Asper Campus Board & staff for everything you do.

We are humbled and excited to be a part of a thriving Winnipeg Jewish Community.

You are the reason our future is bright!

Executive Director – Rob Berkowits

The Rady Jewish Community Centre was pleased to announce the appointment of Rob Berkowits as their Executive Director this past August.

Born and raised in Winnipeg, Rob has served in both non-profit and corporate sectors in senior roles for close to 25 years. Prior to joining the Rady, he was the Director of Development & Gift Planning for four years at the Jewish Foundation of Manitoba. Rob previously served as the Executive Director for the Jewish National Fund of Canada

(Manitoba/Saskatchewan) as well as the Executive Director for Football Manitoba.

Rob's experience combined with his passions for sport, fitness, programming and the Jewish community will play a vital role in leading the Rady JCC and its strong contingent of staff into a new chapter of growth and impact.

Report of the Independent Auditors on the Summary Financial Statements

To the Directors of
The Y.M.H.A. Jewish Community Centre of Winnipeg, Inc.

Opinion

The accompanying summary financial statements, which comprise the summary statement of financial position as at August 31, 2019 and the summary statements of operations and changes in fund balances for the year then ended, are derived from the audited financial statements of The Y.M.H.A. Jewish Community Centre of Winnipeg, Inc. (the "Organization") for the year ended August 31, 2019. We expressed a qualified audit opinion on those financial statements in our report dated December 3, 2019.

In our opinion, the summary financial statements are a fair summary of the audited financial statements, on the basis described in the *Management's Responsibility for the Summary Financial Statements* section of our report. However, the summary financial statements are misstated to the equivalent extent as the audited financial statements of the Organization for the year ended August 31, 2019.

Summary Financial Statements

The summary financial statements do not contain all the disclosures required by Canadian accounting standards for not-for-profit organizations. Reading the summary financial statements and the auditors' report thereon, therefore, is not a substitute for reading the audited financial statements and the auditors' report thereon.

The Audited Financial Statements and Our Report Thereon

We expressed a qualified audit opinion on the audited financial statements in our report dated December 3, 2019. The basis for our qualified audit opinion was due to the Organization deriving part of its revenues from the general public in the form of contributions and fundraising the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Organization and we were not able to determine whether any adjustments might be necessary to contributions and fundraising and excess of revenues over expenses and cash flows from operations for the years ended August 31, 2019 and 2018, current assets as at August 31, 2019 and 2018 and changes in fund balances as at September 1 and August 31 for both the 2019 and 2018 years.

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of a summary of the audited financial statements on the following basis:

The summary financial statements include the major totals and subtotals from the related complete financial statements dealing with matters having a pervasive or otherwise significant effect on the summary financial statements.

Auditors' Responsibility

Our responsibility is to express an opinion on whether the summary financial statements are a fair summary of the audited financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Financial Statements".
